1. Meeting was called to order at 7:15 by Supervisor Paul O'Grady
2. Discussion was held summarizing the Town Fund and General Assistance Fund Tax Levy, Ordinance # 01-12-19-17. The levy, as presented, would increase taxes by approximately \$100,000 or 4.98%. This translates into an estimated \$2.50 increase per household based on 40,000 households in the township.
3. The Health Insurance policy renewal thru Aetna Insurance and presented by Alliant-Mesirow Financial Services was discussed and found to have no increase in premium based on improved claim history.
4. Payment of bills: Submitted by each Trustee by department for approval.
5. Other Financial Issues: WEX Fleet Services was introduced as an alternative to the existing fuel program for Senior Transportation. WEX participates in the State of Illinois Joint Purchasing Program and provides a tax rebate on the fuel purchased at participating gas stations. This rebate translates into approximately .34 cents per gallon. Based on current gasoline consumption, that should provide an estimated \$300 in rebates per month.
6. The meeting was adjourned at 7:25
