Orland Township Food Pantry receives \$5,000 donation from Darwin Furniture

The Orland Township Food Pantry accepted a check for \$5,000 from Darwin Furniture as part of the furniture store's recent Grand Opening celebration, according to the office of Township Supervisor Paul O'Grady.

Accepting the check from Darwin Furniture were Orland Township Trustee John Lynch and Orland Township Food Pantry Coordinator Robin Kassiss.

"We want to say thank you to Darwin for this check, it will go a long way toward helping a lot of families in need," said Lynch. "This kind of donation will make a difference for those who really need the assistance."

For Steve and Marty Darwin, a celebration reflecting new changes to their business would not be complete without recognizing the communities that has been so supportive over more than nine decades. "We love our customers at Darwin, they are part of our extended family, but we also must recognize the wonderful communities that have supported us over the years," said Steve and Marty. "It is a privilege to be in a position to give back to both."

"It is so rewarding to see businesses like Darwin taking a leadership role when it comes to giving back to their community," said Supervisor O'Grady. "Their \$5,000 donation will have a dramatic effect on the families in our community and we truly appreciate their generosity."

The check presentation occurred on March 14, 2018 as part of Darwin Furniture's grand opening celebration.
