

## **FOIA Overview**

The Illinois Freedom of Information Act (FOIA) provides that all persons are entitled to full and complete information regarding the affairs of government and the official acts and policies of those who represent it. Any individual, corporation, partnership, firm or organization, acting individually or as a group, has the right to inspect certain public records. [Click here](#) for a non-exhaustive list of records currently considered public.

Please click any of the links below to read more about the Act, including how to obtain public records from the Township.
