Fight The Flu at Orland Township

Flu Shot Clinics are starting at the Township in September.

ORLAND PARK, IL — In attempt to continue to further protect the community this year, Orland Township residents will have the opportunity to receive their seasonal flu-shots on select days in the coming months.

Starting on September 1st, flu shots will be available every Monday and Wednesday at the Township offices, 14807 S. Ravinia Ave., Orland Park, from 3 to 6 p.m.; with the only exceptions being Monday, September 6th (in observance of Labor Day), and Monday, October 11th, (in observance of Columbus Day).

Orland Township's 2021 Flu Shot Clinics are all walk-in (no appointment necessary) and for anyone 3 years of age or older. Pneumonia vaccines (Pneumovax 23 and Prevnar 13) will also be available at the Orland Township Flu Shot Clinics to adults 19 years of ages or older. It is asked that residents bring an updated immunization record and consult with their physician as to which vaccines they may need. **Those receiving a shot are asked to wear a short sleeve shirt.** The Township asks that those planning on attending any of the clinics arrive in good health.
