Walk-In Flu Shots Still Available at Orland Township

Residents are urged to take advantage of the opportunity to fight the flu.

ORLAND PARK, IL — After a successful drive-thru shot clinic on Oct. 2, which attracted nearly 100 residents, Orland Township hopes to call attention to this year's remaining flu shot clinic dates.

Orland Township's 2021 Flu Shot Clinics are all walk-in (no appointment necessary) and for anyone 3 years of age or older. Pneumonia vaccines (Pneumovax 23 and Prevnar 13) will also be available at the Orland Township Flu Shot Clinics to adults 19 years of age or older. It is asked that residents bring an updated immunization record and consult with their physician as to which vaccines they may need. **The Township also asks that those planning on attending any of the clinics wear a short sleeve shirt and arrive in good health.**
